PLANT QUARANTINE IMPORT RESTRICTIONS
OF THE
REPUBLIC OF HONDURAS

This summary of the only existing plant quarantine import restrictions of Honduras is presented for the information of exporters of plants and plant products to that country and for plant quarantine officials.

It was prepared by R. G. Oakley of the Division of Plant Quarantines, from a decree of February 16, 1952, published in "Foreign Commerce Weekly" of March 24, 1952.

The information contained in this circular is believed to be correct and complete up to the time of preparation but it is not intended to be used independently of, nor as a substitute for, the original texts nor is it to be interpreted as legally authoritative. The original decree should be consulted for the exact text.
